Note:

After completing side burner installation, make sure there is no more than a 3 mm gap between igniter pin and burner. As shown in Fig.

Nota:

Después de terminar la instalación del quemador lateral, cerciórese de que no exista una separación de más de 3 mm entre la clavija del encendedor y el quemador, como se muestra en la Fig.

Remarque:

Après avoir installé le brûleur latéral, assurez-vous que l'écart entre la broche de l'allumeur et l'allumeur ne dépasse pas 3 mm, comme illustré à la fig.

Side Burner / Quemador lateral / Brûleur latéral

Side Burner Igniter Wire.
Encendedor del quemador lateral de alambre.

Fil de l'allumeur du brûleur latéral.
