BIG ON SPACE & STYLE

Get style and features you want in a refrigerator, and get it in the size you need. With 27 cu. ft. of space, you'll have room for more. You can keep all that food fresher, longer, with Digital Temperature Controls designed to maintain superior humidity and temperature levels. Plus, you won't miss out on features like an integrated ice & water dispenser smartly designed to fit most glasses and pitchers or humidity control crispers. And it's all in a package so stylish, it upgrades the look of any kitchen.

Large Capacity, 27 cu.ft.

Get more space for groceries in a great feature-packed refrigerator. Nothing beats the convenience of having more food when you need it, and with a generous 27 cu. ft. of space that's bigger than our competitors' models, you'll have room and room to grow.

SpacePlus™ Ice System

The LG SpacePlus™ Ice System is on the inside door, freeing up valuable shelf space in the freezer compartment. More space means you can store more food.

Digital Temperature Controls

Digital Temperature Controls designed to maintain superior humidity and temperature levels to help keep your food fresher, longer. Digital sensors constantly monitor conditions within the refrigerator to keep things cool.
