

Stop Bugging Me!™

KILLS BED BUGS AND DUST MITES ON CONTACT

STOP BUGGING ME!™

Ready-To-Use Insecticide Kills Bed Bugs and Dust Mites on contact!

STOP BUGGING ME!™ is a naturally-derived insecticide that eliminates bed bugs and dust mites.

STOP BUGGING ME!™ is a contact insecticide which provides quick knockdown/kill, broad spectrum control, is safe to use around children and pets and offers a pleasant botanical scent.

Patented/Patents-pending • FDA GRAS • Non-flammable • Bio-degradable • Non-staining • Bio-based.

STOP BUGGING ME!™ is designed for use on mattresses, bedding, sofas, stuffed chairs, carpets, rugs, luggage and any detergent-safe upholstery. Most physicians recommend treating areas where bed bug concentrations are highest, such as bed frames and regularly used furniture.

CONTROLS: Crawling Insects: Bed bugs, dust mites, ants, carpet beetles, carpenter ants, centipedes, clover mites, cockroaches, crickets, drug store beetles, earwigs, elm leaf beetles, fleas, millipedes, pillbugs, silverfish, spiders, termites, ticks and other crawling insect pests.

SAFELY KILLS AND PREVENTS BED BUGS

READY-TO-USE INSECTICIDE

ACTIVE INGREDIENTS:	
2-Phenethyl Propionate.....	3.0%
Eugenol.....	0.5%
Sodium Lauryl Sulfate.....	0.5%
Geraniol.....	0.2%
Cinnamon Oil.....	0.1%
SUBTOTAL, Active Ingredients.....	4.3%

INERT INGREDIENTS:

Soap (sodium salts of fatty acids), Sodium benzoate, Water	
SUBTOTAL, Inert Ingredients.....	95.7%
TOTAL.....	100.0%

KEEP OUT OF REACH OF CHILDREN

See side panel for First Aid.

DIRECTIONS: Shake well before using. Spray directly onto bed bug infested areas including bedding and carpets. Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Repeat if infestation occurs, but not more than once every two weeks. Allow fabric to thoroughly dry before using. Follow-up in 1-2 weeks after application in same areas.

Coverage Area: A 3-ounce bottle of STOP BUGGING ME!™ will treat approximately 2 queen-size mattresses or 54 sq. ft. (an area of 10 ft x 5.4 ft). For control of other crawling pests: Thoroughly spray all parts of the room suspected of harboring these pests. Contact insects with sprayer whenever possible.

PRECAUTIONS: Do not get in the eyes or on the skin. May cause stains and/or burn some susceptible plants. Always test a small, inconspicuous area before full application.

STORAGE AND DISPOSAL

Store in a cool, dry area inaccessible to children or pets. Store and transport in an upright position. Disposal if empty: Do not reuse container. Place in trash or offer for recycling if available.

FIRST AID

If on skin, wash with soap and water. Have the product container or label with you when calling a poison control center or doctor for treatment. If swallowed, call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE: STOP BUGGING ME!™ is safe for use on water-soluble materials.

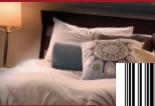

STOP BUGGING ME!™ is FDA GRAS (Generally Recognized As Safe).

This product is exempt from registration with the Federal EPA under section 25(b) of FIFRA, and as such, is not registered with the Environmental Protection Agency. ROCASUBA, Inc. represents that this product and its ingredients qualify for exemption from registration under FIFRA.
