WIRELESS VIDEO HOME MONITOR

## SEE IT IN A SNAP. BE THERE IN A SNAP.

Your family is the most precious and important part of your life. Now you can keep an eye—and an ear—on your family night and day to make sure everyone is safe and happy.

### AUTOMATIC NIGHT VISION

Crystal-clear automatic night vision lets you check on little ones without the risk of waking them up.

### IT GOES WHERE YOU GO

The lightweight handheld monitor enables you to keep an eye on your home wherever your busy day takes you—inside and out. Both the camera and handheld monitor feature built-in rechargeable lithium-ion batteries so you can take it wherever you travel with your family.

### TWO-WAY AUDIO

Two-way audio between the camera and handheld monitor lets your kids know you're always nearby.

### CAPTURE SPECIAL MOMENTS

Instantly snap pictures with a single touch. View images on the handheld monitor or transfer them easily to a PC or Mac and share them on sites such as Facebook™, Flickr™, and Picasa™.

### MULTIPLE VIEWING OPTIONS

Keep an eye on multiple areas. Your Live Snap system can grow as your family grows. Keep a camera in the baby's room, playroom, living room, or anywhere you need an extra pair of eyes. Live Snap works with up to four cameras, which you can view simultaneously!

### SLEEP EASY

Sound-Activated Alerts instantly turn on the monitor's screen and audio. Your home monitor works around the clock—so you can rest easy.
