KitchenAid® 3 Speed Hand Blender

KHB2351

Exceptional Performance

Powerful

The powerful DC motor was built for long-lasting, controlled hand blending. Ideal for blending everything from soups to smoothies.

8" Removable Stainless Steel Shaft With Bell

The hand blender, with its 8" removable stainless steel shaft with bell, is dishwasher safe and can be used in shallow or deep pots and pitchers. The ability to disassemble makes it convenient for storing in small spaces and toting along to a social gathering to make crowd-pleasing frozen drinks.

Versatile

This hand blender comes equipped for every course of the meal tonight. Included is an 8" removable shaft with bell for blending or pureeing, a whisk attachment, a chopper attachment, a 3-cup BPA-free blending jar with lid and storage bag.

Enduring Design

Soft Grip Handle

The soft grip handle is non-slip and designed for comfortable handling while in use, for long or short periods of time.

Twist Lock Blending Arm

The twist lock blending arm was designed for convenient attaching and removing of the 8" stainless steel shaft with bell from the motor housing. Simply twist on and lock or twist off.

3-Cup BPA-Free Blending Jar With Lid

BPA-free blending jar, with graduated measurement markings (ml/cups) and non-slip ring on base, offers two great advantages: it is for blending all foods and dishwasher safe.
