As with any household chemical product, keep out of reach of children and animals. Keep from freezing (store above 32°F). Avoid excessive heat.

8. Exposure Control/Personal Protection

Ventilation:..... Local exhaust ventilation is not required.
Respiratory Protection: Not required with adequate ventilation.
Eye Protection:..... Not required. Safety glasses are recommended during volumetric treatments.
Gloves: Not required.
Other Protective equipment:..... Not required.

9. Physical Properties

Appearance: Light milky-white solution **Specific Gravity (water =1) :** 1.0
Odor: Natural scent

10. Stability and Reactivity

Chemical Stability: Stable **Hazardous Polymerization:** Will not occur

11. Toxicological Information

Rat Acute Oral: >5000 mg/kg
Acute effects from Overexposure: This product has low oral and dermal toxicity. Prolonged contact with the skin may cause irritation, and contact with the eyes may cause eye irritation. Inhalation of the vapor may cause irritation of nasal passages and/or dizziness. Ingestion of this product could result in irritation of the gastrointestinal tract, headache or nausea.

Chronic Effects from Overexposure: No data are available.
Carcinogenicity: **NTP:**.....No **OSHA:**No

12. Environmental Information

While specific data regarding toxicity to fish or other aquatic organisms is not available for this product, care should always be taken to prevent insecticides from entering aquifers.

13. Disposal

Do not reuse empty container. Securely wrap empty container in newspaper and discard in trash. Offer for recycling if available.

14. Transportation Information

Ground: Not DOT regulated in available quantities (ref: CFR 49 § 173.150 (f))
Air: Not regulated
International: Telephone 1-800-338-0212 (9am to 5pm EST)

15. Regulatory Information

NFPA Ratings: Health - 1 Fire - 0 Reactivity - 0 Special - none
TSCA: All ingredients in this product are either listed or excluded from the TSCA Inventory.
SARA Title III: This product does not contain any ingredients subject to Section 313 (40 CFR372) reporting requirements.
