

Cast Stone & Steel Hose Reels

Steel Reel Makes the Difference

The commercial-grade steel reel makes it easy to wind up and stow away your garden hose. The heavy duty brass connector and thick steel axle are beautifully disguised in a decorative cast stone housing that compliments your outdoor décor. Each hose reel is hand-crafted with the exquisite detail and style you expect in upscale products.

Functional and Stylish Design

- Cast stone exterior is hand-made from durable glass fiber reinforced concrete and has the look, feel and heft of natural stone.
- Elegant and stylish garden tool adds a touch of class to your landscape setting with over 150 feet of 5/8" garden hose capacity and an inside storage basket to stow away garden tools.

Built to Last

- Weatherproof, insect proof, and maintenance-free.
- Sturdy design made from cast stone and steel and built to outlast typical plastic hose reels.

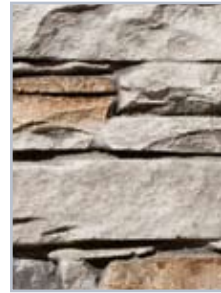

Cast Stone Styles

- Limestone
- Stacked Stone - Gray
- Stacked Stone - Beige
