

Installation Instructions

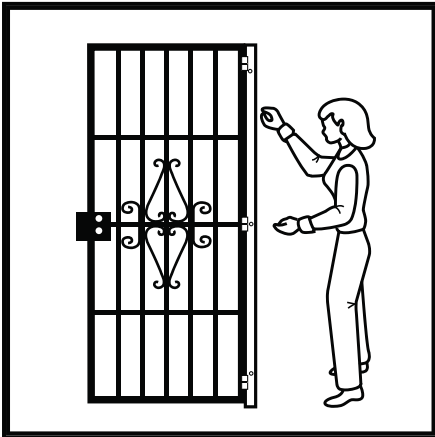

Instalación Instrucciones

1

Attach your choice of locksets (2-3/8" backset). Fully extend the lock bolts into the "locked" position.

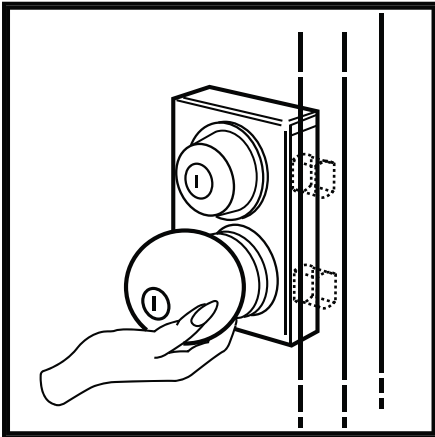

Coloque la cerradura escogida (con un palastro de 6 cm). Luego, extienda completamente los pestillos en la posición "cerrada".

2

Position security door in front of opening at desired height, making certain that the security door is plumb. Mark the location of the mounting holes in the door jamb, remove the door and drill 3/16" holes where marked. Replace the door, fasten the door to the house using the one-way screws provided.

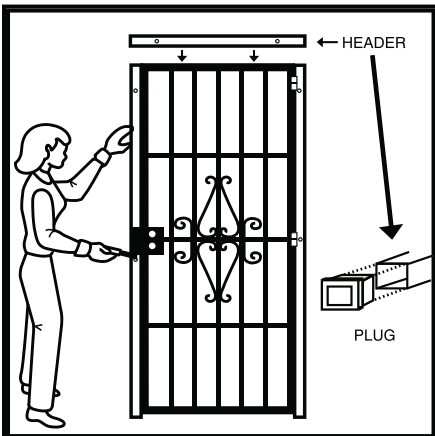

Coloque la puerta de seguridad en frente de la apertura a la altura deseada, asegurando que la puerta esté recta. Marque los agujeros de la bisagra para localizar el lugar de montura. Quite la puerta y perforo agujeros de 5 mm en las marcas. Reponga la puerta y asegurela a la casa usando los tornillos unidireccionales incluidos.

3

Align the lock holes in the locking jamb with the extended lock bolts, making sure the jamb is plumb. Mark, drill and fasten the locking jamb to the house using the one-way screws provided.

Alíne los agujeros de la cerradura en el marco de metal con los pestillos extendidos asegurando que el marco esté a nivel. Marque, perforo y atornille el marco a la casa usando los tornillos unidireccionales incluidos.

4

Insert plastic plugs into the ends of the header as shown. Mount the header jamb at the top of the door using the one-way screws provided. Leave approximately 1/8" space between the header and the top of the door frame.

Ponga los tapones de plástico en las orillas del marco (enseñado). Monte el marco arriba de la puerta usando tornillos unidireccionales incluidos. Deje un espacio aproximado de 3 mm entre el marco y la puerta.

For questions or warranty service please contact Unique Home Designs at (877) 340-3667 from 7am to 5pm MST, send an email to safehome@uhdco.com, or write to SafeHome by Unique Home Designs Customer Service at 973 N. Colorado Street, Gilbert, AZ 85233.

Security Door Warranty

Your SafeHome Security Door is warranted against manufacturing defects of the welded frame, pickets, and lock box for as long as you own the home upon which the door is properly installed. If structural defects occur in these areas we will, at our discretion, repair or replace the door. Replacement items may vary in style due to changes in suppliers and product. In addition, the paint finish is warranted not to blister, crack, or fade for one year from the purchase date. Damage due to rust is excluded from this warranty. Screens, glass and hardware are also excluded from this warranty.

This warranty does not cover damage caused by vandals, break-ins, or attempted break-ins. This warranty is voided if the product is modified in any way. Any problem caused by abuse, misuse, failure to maintain warranted item properly, adjustments due to settling of the structure that the product is mounted on, or acts of God, are not covered. Unique Home Designs assumes no responsibility for labor costs of any kind for removal, replacement of parts, repairs, or reinstallation.

To make a claim under this warranty, send a brief written description of the problem, a picture of the problem, proof of purchase, and your contact information to: SafeHome by Unique Home Designs, 973 N. Colorado Street, Gilbert AZ. 85233 Attn: Warranty Claims
