

FS-CURTIS RECIPROCATING PRODUCTS EXTENDED WARRANTIES

FS-Curtis is dedicated to providing industry leading warranty programs. These warranties provide added peace of mind to products which already provide best-in-class quality. All FS-Curtis CT, CA, ML, and UltraPack products are backed by a Standard Manufacturers Warranty of 12 months. The Extended Warranty programs detailed below provide added protection at no additional cost. Simply follow the Extended Warranty requirements and you are then eligible for the Extended Warranty program. For detailed warranty program information please refer to Form# WDMAIN-12.

Extended Warranty Requirements

1. All extended warranties require product registration at <http://us.fscurtis.com/support/warranty/register.htm> within **10 days** of product start-up.
2. All Reciprocating Air Compressors must be maintained as per the maintenance schedule with genuine FS-Curtis parts and lubricants for the entire warranty period (proof of purchase may be required).

The extended warranty provides additional coverage above and beyond the 12 month Manufacturer's Warranty. Extended Warranty provides coverage as detailed in the chart below. Maintenance items are covered for 12 months per the Standard Factory Warranty unless found to be defective in material or workmanship (tank drains, belts, check valves). with the exception of ULTRASHIELD Extended Warranty. **Purchaser must maintain the compressor as per the maintenance schedule with genuine FS-Curtis parts and lubricants for entire warranty period (proof of purchase may be required). All packages must be properly secured with mounting hardware to the floor surface**
