## **Congratulations !**

You are the proud owner of a top quality Futurebeach Kayak. We at Futurebeach pride ourselves on exceptional quality and performance in every boat we produce. With proper maintenance and care, you will enjoy your kayak for many years to come. You will be pleased to know that all our kayaks are produced from environmentally friendly materials, and that your rotomolded kayak can be easily recycled at the end of its useful life.

We encourage you to read this owner's manual carefully and consider the recommended guidelines on safety, maintenance and storage.

Thank You again for purchasing a Futurebeach kayak, your adventure on the water awaits you !

# Kayak Features

Innovative seamless rotomolded designs molded in high density RamTuff® polyethylene material.

*\*Features May Vary Depending Upon Model*

# Paddling & Safety

- It is strongly recommended that you take a certified kayak education course to learn basic techniques.
- When boarding, secure one foot in the center of the kayak while holding onto both sides of the cockpit.
- Sit comfortably against the seat back , and adjust your footrests as required.
- Make sure to practice forward and turning strokes, practice getting into and out of your boat.
- You must wear an approved life preserver or approved personal floatation device (PFD).
- We strongly suggest that you equip your kayak with basic emergency equipment, such as a spare paddle, a warning horn or a whistle, and a strobe light or flare.
- Before launching your boat in the water, make sure that your drain plug is tightly secured.
- The following check list of items will make your kayaking experience safer and more enjoyable :
  - ☑ Sunglasses
  - ☑ Sunscreen
  - ☑ First Aid Kit
  - ☑ Hand operated Water pump
  - ☑ Non Skid Footwear

Finding your  
serial number

# Important Information

All paddle sports can be dangerous and physically challenging. The finest equipment can cause serious injury or death if not properly used.

We recommend that you receive proper training in paddling techniques, security on the water, and first-aid techniques before using your kayak. Our user guide gives you a summary of rules and regulations for a pleasant and safe experience.

## **Hypothermia**

Hypothermia is a dangerous drop in the body's core temperature below the normal temperature level (37°C or 98.6°F). Hypothermia occurs when the body is subjected to prolonged exposure to cold weather and body temperature drops below 35°C or 95°F. Marine accidents are very dangerous and can be life threatening if you are poorly prepared for the cold water.

## **Surroundings**

Before setting out, make sure you are familiar with your surroundings. Be aware of permitted navigation hours, emergency services, and locate the danger zones.

## **Physical Capacity**

Realistically evaluate your physical capacity and endurance. You may have to swim to the shore.

## **Slippery Surfaces**

Your kayak becomes extremely slippery when wet. Therefore, it is recommended that to wear slip-resistant shoes and remain balanced in the middle of your kayak at all times.

## **Do not stand in your kayak**

Your kayak may capsize if you stand in it. If you should capsize, it is recommended that you stay with your kayak rather than attempting to swim to shore.

## **Children**

Never allow children to use any Kayak without adult supervision.

### **Weather and Water Conditions:**

Always verify the weather and water conditions in the area you will be boating. Your kayak is only designed for use in sheltered waters, lakes and slow moving streams. Your kayak is not recommended for white water use. NEVER go kayaking in severe winds, rain, thunderstorms, choppy waters, strong currents, flood waters, or where tides will seriously affect your ability to steer your kayak back to shore.

### **Storage**

The easiest way to store your kayak is to sit it on a flat surface. or stand it against a wall. If your kayak remains outdoors, you should keep it covered. Do not pile any other items on top of your stored Kayak.

Do not leave straps cinched tightly around your kayak for long periods of time, especially in warm weather.

Your kayak must not be stored in the sun for extensive periods of time.

### **Product safety information label**

Your kayak comes with an information label containing important safety information. This label must stay permanently attached to your kayak. Should the label deteriorate or become detached, please contact Future Beach for a replacment.

### **Coast Guard Regulations**

Always abide by Coast Guard regulations, State and local laws and rules concerning boating and boating safety.

# Kayak Warranty

## Limited Consumer Warranty

Future Beach® Corporation warrants your new kayak to be free from defect in materials and workmanship, subject to the following terms and conditions:

- Future Beach® warrants the hull of your new kayak to be free from defects in materials and workmanship for a period of 2 (two) years from the date of retail sale.
- The kayak components are covered for a period of 1 (one) year from the date of purchase.
- The warranty is applicable to Future Beach® products registered and normally operated in North America. Under this warranty, Future Beach® is limited to the repair or replacement of the components at the option of Future Beach®.
- This warranty is non-transferable to a subsequent owner.

## The following is not covered by this warranty:

- Damage due to misuse, accident, collision, etc.
- Future Beach® Corporation shall have no liability whatsoever for any personal injury, accident or consequential damages

- Wear-and-tear deterioration, discoloration, or fading, etc.
- Commercial use or rental
- Damage or surface corrosion caused by the environment
- Damage caused by the use of aggressive chemical cleaning solvents
- All incidental or consequential damages
- Any damage incurred in transport from Future Beach® to the customer
- Any transportation charges to and from an Authorized repair facility
- Labor to install new or replacement components

Customers are responsible for inspecting their kayak upon arrival for any shipping damage and must notify Future Beach® in writing within 5 (five) days of the date of delivery.

Future Beach® will be responsible for all freight and handling charges should the purchaser find a defect in either the hull or component parts within the first 30 days from the date of retail purchase.

After 30 days from the date of retail purchase, transportation charges for hulls and/or replacement components are the

# Kayak Warranty

responsibility of the purchaser. This warranty is limited to the purchase price of the product, and is non-transferable to a subsequent owner.

## **Repair or return of boats**

All requests for a return authorization number must be sent by email to [service@futurebeach.com](mailto:service@futurebeach.com). The return of any boats will not be accepted by Future Beach® without an authorization number.

This warranty is the sole and exclusive warranty by Future Beach® in connection with its boats and Future Beach® makes no warranties or representations, expressed or implied (including warranties of merchantability and or fitness for a particular purpose) in such connection except as specifically described in this warranty.

All incidental and/or consequential damages are excluded from this warranty. Implied warranties are limited to the life or this warranty.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you special legal rights, and you may also have other legal rights which may vary from state to state.

During the warranty period Future Beach® Leisure Products is obliged only to repair or replace, at its discretion, the above mentioned parts, at either its manufacturing plant, or at an authorized dealer store or service center, as decided by Future Beach®. Transportation costs back to the appointed place or repair or replacement are at the expense of the consumer. Future Beach® is not responsible for any damages incurred in transport, charges for storage or transportation fees, nor for inconvenience or loss of time or money while repairs are being made.
