

## Removing the drawers

- Fully extend the empty drawer.
- Push up the one release lever while pulling down on the other release lever.
- Pull the drawer outward until it is released from the drawer slide.

## Re-inserting the drawers

- Extend the drawer slides.
- Insert the brackets on each side of the drawer into the slots in the slides, being careful that they are properly positioned.
- Once properly inserted, completely close the drawer to set the slides in their proper positions.

## Usage of top till rubber grommet

- When passing cords into the box, be sure to always enter box from the rear. After head of cord is in place, slightly pull back 2-3" to ensure weather resistant "star bursts" are facing toward the outside of box. Never push the cord from inside box so that mating plug points are exposed to the environment.
- **BE SURE TO FOLLOW ALL ELECTRICAL SAFETY PRECAUTIONS.**

# Cordless Power Tool Battery Chargers

- See Charger's Owner's Manual for proper use and care of charger and batteries. Follow all Warnings and Instructions provided with your battery charger.
- Place chargers and electrical connections in till.
- Chargers are Dry location use only. Do NOT expose to liquid, vapor, or rain. Should your charger become wet. Do NOT attempt to use. Unplug extension cord from supply before handling wet charger or cords.
- Only use chargers and batteries that are intact and operating properly.
- Do NOT touch metal prongs when plugging charger into extension cord.
- Keep flammable materials like paper or rags away from charger, cords or connections.
- Do NOT place or attempt to charge lead acid, car type batteries in storage chest.

## Maintenance

### 1 Caster maintenance

- Grease the casters annually using high-quality bearing grease.

### 2 Drawer maintenance

- Lubricate the slides semi-annually.

## Care and Cleaning

- Lubricate the drawer slides semi-annually.
- Periodically clean the drawer fronts, drawer trim, and other surfaces with a mild detergent and water.
- Auto wax preserves the storage unit's luster finish and protects against scratches. Apply the wax as you would on a car.
- Remove grease and oil with a standard nonflammable cleaning fluid.
