The warranty is non transferable. This includes mirror door frame, top and bottom tracks, top guides and bottom rollers where applicable.

Renin Corp. further warrants to the Purchaser that under normal interior closet door usage, significant deterioration or imperfections of the mirror will not occur during a period of five (5) years from date of purchase. Product purchased as an "As Is" is not covered under this warranty.

The Warranty shall be void in each of the following circumstances: damages due to abuse, mishandling, improper installation or use, exposure to chemical and/or abrasive cleaners and foreign matter which includes drippings from ceiling materials or paint, or materials placed on the back or edges of the product by others; treatments applied outside the continental US or mirror failure which includes black edge, discoloration and slight hardware rusting when installed within 10km (6 miles) of a body of salt water.
