THE MOLDEX PROMISE...

ENVIROCARE, THE MAKERS OF MOLDEX, UNDERSTANDS HOW PRECIOUS YOUR FAMILY IS AND HOW IMPORTANT THE ENVIRONMENT IS TODAY. TO ENSURE YOU ARE GETTING THE RIGHT PRODUCTS, ALL OUR DISINFECTANTS WERE APPROVED BY THE ENVIRONMENTAL PROTECTION AGENCY.

.DISINFECTANT.

One-Step Cleaner, Disinfectant, Fungicide, Mildewstat

Moldex® Disinfectant cleans, disinfects, and deodorizes surfaces by killing mold, mildew, and odor-causing microorganisms. It is a no-rinse, one-step cleaner that is incredibly effective against a broad spectrum of bacteria. It also inhibits the growth of mold and mildew and their odors when used as directed. Moldex® Disinfectant cleaner is also registered with the EPA and designed for both household and industrial cleaning. It is also approved for use in hospitals.
