

Roll Out Rubber Mulch

Mulch + Weed Control

The FIRST "All-In-One" Mulch & Weed Control Gardening Product

NEW GARDENING SOLUTION

- The NEW "All-In-One" product that answers TWO major gardening concerns – Mulching and weed control.
- Designed to perform in an eco-friendly garden:
 - Made with 100% recycled rubber tires AND...
 - WeedBlock landscape fabric to stop weeds without chemicals.
- The beauty of natural mulch without the mess PLUS WeedBlocks' power "Stops weeds for years."®
- EG's Roll Out Rubber Mulch is great for:
 - Dual weed control in landscaped areas
 - Around pools
 - In outdoor play areas
 - Around patios and pathways
 - In high runoff/drainage areas
- The mulch stays in place, eliminating messy and expensive re-mulching year after year.
- Maintenance free – Won't discolor or decompose.
- Packaged in conveniently-sized rolls for merchandising ease.
- Full-color package graphics to catch consumer's attention and communicate product benefits.

EASY GARDENER ROLL OUT RUBBER MULCH provides the beauty and look of natural mulch PLUS the weed control benefits of a landscape fabric, all in one easy-to-use product. Made from 100% recycled tires, Easy Gardener Roll Out Rubber Mulch is crafted with natural-looking textures and colors that add immediate beauty to any landscape. Permanently laminated to WeedBlock landscape fabric to stop pesky weeds without nasty chemicals, the mulch will not wash away, staying in place for years to come. No more need to handle heavy, dirty bags of mulch year after year or apply nasty weed killers. Conveniently packaged in easy-to-handle rolls, Roll Out Rubber Mulch comes with a 1" fabric overhang on two sides to provide a seamless, weed-free connection with other mulch rolls. Easy Gardener Roll Out Rubber Mulch, the NEW way to mulch and control weeds, all in one easy eco-friendly step.
