Deep Cleaning Action For Most Surfaces Including
- Sanded Grout
- Clay Pavers
- Glazed Tile
- Terrazzo
- Travertine

Uses
- Interior & Exterior
- Walls
- Counters
- Showers
- Floors
- All Grout

Special Features
- Biodegradable
- Environmentally Safe
- Easy to Use
- Cost Effective

PRODUCT DESCRIPTION
KEEP OUT OF REACH OF CHILDREN. Tile & Stone Cleaner is an environmentally safe, biodegradable, non-acidic cleaner & degreaser developed specifically for tile, grout, natural & cast stone and masonry surfaces. Tile & Stone Cleaner will handle difficult stains, yet is gentle enough for everyday use. Tile & Stone Cleaner is very effective as an ongoing maintenance cleaner for surfaces previously sealed with the appropriate Miracle Penetrating Sealer/Impregnator. Tile & Stone Cleaner will not harm the polish on polished stone surfaces.

Sample Testing
Due to the differences of each material, several inconspicuous test patches should be completed to assure maximum performance. User must determine suitability of the product for their intended use.

Protect Neighboring Surfaces
Always protect neighboring surfaces including wood, carpet, metal, landscaping and other non masonry surfaces.

APPLICATION INSTRUCTIONS
Read entire label and SDS/MSDS before using.
Tile & Stone Cleaner is concentrated and requires dilution. To remove difficult stains such as oil and grease, mix one part Tile & Stone Cleaner with 3 parts hot water (cold water can be used but cleaning action will be reduced). Apply Tile & Stone Cleaner with a clean mop or self-feeding floor machine. Allow the solution to stand for 10 minutes while agitating periodically with the appropriate scrub brush. DO NOT allow solution to dry on the surface. Extract all the dirty remains with a wet vacuum system. Rinse the surface thoroughly with hot water and allow to dry. Difficult stains may require a second application. If area is still dirty after the second cleaning use Heavy Duty Acidic Cleaner as directed.

For general cleaning, mix one cup Tile & Stone Cleaner with 3 gallons hot water following the same instructions as before.

Water, Stain & Slip Protection
To protect cleaned area from future soil and staining and increase static coefficient of friction, we recommend applying the appropriate Miracle Penetrating Sealer/Impregnator.

Coverage
Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution left on surface and application methods. Used as directed, Tile & Stone Cleaner will clean up to 10,000 square feet per gallon (927 square meters per 3.785 liters).

MAINTENANCE
For ongoing maintenance instructions please refer to Miracle Sealants Care Guide. Refer to the Miracle Sealants Product Recommendation Chart for specific product recommendations.

Storage
Store Tile & Stone Cleaner in the original container properly sealed and unmixed. Stored at 77°F (25°C), Tile & Stone Cleaner will have a shelf life of 12 months. Do not allow to freeze.

Technical Support
For additional technical support, contact Miracle Sealants Company at 1-800-350-1901 or 626-443-6433 ext. 3013
Office Hours
Monday - Friday from 8:30 am - 5:00 pm PT.

Additional Products
Miracle Sealants Company offers a complete line of water & stain repellents, sealers, cleaner, polishing compounds, diamond abrasives, machinery and accessories for the tile, stone, concrete, metal, fabric and carpet professional or do-it-yourself specialist.

Warranty
Instructions are a condensed guide and should not be considered complete. In the event of failure, the only obligation of Miracle Sealants Company shall be to replace such products proven to be defective. Before using, user shall determine the suitability of the product for their intended use. User assumes all risks and liability whatsoever in connection therein. Neither seller nor manufacturer shall be liable for any injury or inability to use this product.

Caution
Use only in well-ventilated area. Open windows and use fans to circulate air. Chemical resistant gloves should be worn at all times. Keep small children and pets out of area until product or surface has thoroughly dried. Refer to the MSDS for additional information.
Tile & Stone Cleaner

Osha's Hazard Communication Standard
U.S. Department Of Labor

29 CFR 1910.1200 OMB No. 1218-0072
Identity No: L0323012 Name: Tile & Stone Cleaner

Section 1
Manufacturers Name: Miracle Sealants Company
Address: 12318 Lower Azusa Road
Emergency Phone: 800-350-1901
City: Arcadia
State: CA
Phone: 626-443-6433
Date Prepared: 10-2007

Section 2 - Hazardous Ingredient/Identity Information
Hazardous Components: None
VOC: 4% by weight before dilution
Note: Non-carcinogenic

Section 3 - Physical/Chemical Characteristics
Boiling point: >212° F
Specific gravity: 1.020
Vapor pressure: Not tested
Melting point: Not tested
Vapor density: Not tested
Evaporation rate: Not tested
Solubility in water: 100%
Appearance and odor: Brown, color liquid with floral fragrance.

Section 4 - Fire And Explosion Hazard Data
Flash Point: Not Available
LEL: Not tested
pH: 7 — 8
NFPA hazard rating (0 = Least, 4 = Extreme)
Health: 1
Reactivity: 0
Fire: 0
Other: 0
HMIS Hazard Rating:
Health: 1
Fire: 0
Reactivity: 0
Extinguishing media: CO2, dry foam
Special fire fighting procedures: None
Unusual fire and explosion hazards: None

Section 5 - Reactivity Data
Stability: Stable
Conditions to avoid: None
Incompatible materials to avoid: Strong oxidizers
Hazardous decomposition or byproducts: CO, CO2
Hazardous polymerization: Will not occur

Section 6 - Health Hazard Data
Routes of Entry:
Eyes - Possible
Inhalation - Possible
Skin - Possible
Ingestion - Possible
Health Hazards - Same as signs and symptoms of exposure.

Carcinogenicity:
OSHA: None
NTP: None
IARC Monographs: None

Note: All chemicals incorporated into this product are found on the TSCA inventory list.

Signs and Symptoms of Over Exposure:
Eyes: Burning sensation
Skin: Slight irritation
Ingestion: Nausea
Inhalation: Not expected to be a problem
Medical conditions generally aggravated by exposure - None known.

Emergency and First Aid Procedures:
Eyes: Flush with water for 15 minutes. If irritation persists, call a physician.
Skin: Wash off with soap and water.
Ingestion: Do not induce vomiting. Call physician or Poison Control Center immediately.
Inhalation: Remove to fresh air.

Section 7 - Precautions For Safe Handling And Use
Steps to be taken in case material is released or spilled: Soak up with inert, absorbent material. Scoop up and place in a proper waste disposal container.

Section 8 - Control Measures
Respiratory protection: Ventilate by opening all doors and windows.
Ventilation:
Local exhaust - If available
Mechanical - If available

Protective gloves: Plastic or rubber, chemical resistant.
Eye protection: Tight fitting, splash proof safety glasses.
Other protective clothing or equipment: None.

Work hygienic practices: Wash hands thoroughly before handling food stuffs, liquids or tobacco products. Use common sense and care around chemicals. Never mix this product with other chemicals. Consult your supervisor for all other hygienic and safety practices. All practices depend on your specific business. Directions for use normally found on label which will dictate engineering and control measures.

Section 9 - Shipping & Regulatory Classification
DOT Shipping Name: Please refer to the Bill of Lading receiving/documents for up-to-date information.

DOT#: Not Available
DOT Hazard Class: Not Available

Toxic Substances Control Act (TSCA): This product and/or all the ingredients contained in this product have been registered under the Toxic Substances Control Act.

SARA: No SARA 313 chemicals identified.

NOTE: Miracle Sealants believes the data set forth are accurate. Miracle Sealants makes no warranty with respects thereto and disclaims all liability or reliance thereon. Such data are offered solely for consideration, investigation and verification. Also, the data set forth is for the concentrated finished product. All lab samples are for experimental purposes only and used at the customers discretion.
