Stainless Steel (ST)

LFX28977

Ultra Capacity 3 Door French Door Refrigerator

Sophisticated Design, Inside & Out

With LG's styling package you get contoured doors, hidden hinges, and other features that present a sophisticated and refined look. The interior of the refrigerator adds to this look with LED lighting, an integrated crisper and deli storage center.

New Tall Ice & Water Dispensing Center

The redesigned water dispenser is over 13" tall – the upfront tap, and retractable pitcher rest make it easy to fill most shapes and sizes of containers with the safe and clean water you love.

New Ultra Capacity

LG's New Ultra Capacity Refrigerator offers up to 3 cu.ft. more in usable space.* The new LFX28977 Ultra Capacity Refrigerator allows the consumers to organize and store more all within the same 36" width designated kitchen space. At nearly 28 cu.ft. of capacity, LG offers you more space to improve your kitchen experience.

SpacePlus[™] Ice System

LG's SpacePlus Ice System is located on the inside door freeing up valuable space in the fresh food shelf compartments.

4 Compartment Crisper System

Our unique design arranges the storage drawers to give you more versatility for organizing your foods and beverages. This refrigerator comes with a full width, temperature-controlled Glide N' Serve™ drawer, twin humidity-controlled crispers, and a bonus drawer that is perfect for delicate vegetables and perishable fruits.

Design and specifications are subject to change without notice Design and Specialisms are supplied to Grange William Indice.
