

QT5680-8A8-1 - Premium Series 8 Channel Real Time D1 1 Terabyte HDD DVR with 7 Effio Sensor and 1 Pan Tilt 650 CCD Cameras with up to 100ft. night vision

This 8 channel bundle, the QT5680-8A8-1, offers large, real-time D1 recording on all channels for a high resolution surveillance solution. Enjoy high resolution playback or recording from any of the 7 bullet cameras or the versatile Pan-Tilt camera. Simultaneously record, watch live footage, playback footage, backup files and manage your DVR all from a computer or compatible smart phone/tablet. An HDMI port allows you to run the video feed to a high definition TV for a higher quality image. This DVR also uses H.264 Compression system which results in a smaller file size so you can get even more use out of the pre-installed 1 Terabyte hard drive. The 7 seven included cameras have color 1/3" Sony Effio-E sensors for high quality images. Each bullet camera is also equipped with 48 LEDs for a night vision range or up to 100ft. Gain unmatched situational awareness when you program the 650TVL Pan-Tilt camera to rotate and watch just about every angle. The versatile Pan-Tilt camera also has an impressive 65ft of night vision. Set up is easy and your DVR includes Universal Plug and Play (UPnP) to forward ports for a seamless remote monitoring set up. Q-See offers you total control over your

system to gain Peace of Mind – Anywhere, Anytime.

KEY FEATURES:

- **H.264 COMPRESSION** -Best in the surveillance industry. Superior H.264 video compression minimizes file size in order to maximize the recording time without affecting the image quality. This allows you to efficiently store and transfer high quality video using less space on your hard drive.
- **D1 RECORDING RESOLUTION** - On every channel broadcast-quality D1 704x480 pixel resolution 480 FPS Total (30FPS per camera)
- **HDMI PORT** : Connect to a TV/Monitor for a true High-Definition viewing experience! An HDMI port allows you to run the video feed to a high definition TV for a higher quality image.
- **MULTI TASKING FUNCTIONALITY** - The multi-tasking feature allows up to five functions to occur on the system at one time: record video, watch live video or playback video, while also monitoring and managing the system remotely, and also backing up files. USB Mouse for Easy Navigation
- **Compatible Operating Systems** : Mac OS X 10.6,10.7/10.8 Windows XP, Windows Vista, and Windows 7
- **1 TERABYTE HARD DRIVE** - Record and store video footage on the pre-Installed 1 Terabyte SATA A/V-rated hard drive. The amount of footage that can be saved on the hard drive before needing to over-write footage will depend on the recording and resolution settings selected during setup. This system can support a hard drive of up to 2TB.
- **THREE VIEWING MODES**- Select from Single Cam View, Multiple camera view, and Timed Auto-Sequence

- **EMAIL ALERTS** -Enjoy additional peace of mind by receiving instant email alerts with snapshot images when motion is detected; the hard drive is full, or when video loss has occurred.
- **CONNECT to A monitor** - Display on any TV or 19" or larger PC Monitor through BNC, VGA or HDMI.
- **Remote Monitoring:** Using high-speed internet anywhere, anytime, you can remotely monitor your home, office or your property from your computer or your smartphone! . Up to 10 users can remotely log into the DVR at the same time and dual-stream technology allows for easier internet access with reduced bandwidths.
- **7 BULLET CAMERAS:** 650 TVL Resolution Advanced Sony CCD sensor and Effio-E digital signal processor with high-sensitivity to offer vibrant images. Weatherproof and equipped with EXview CCD II, Effio-E, Color, Sony image sensors that can record at a distance of up to 100 feet in the dark with the 48 Infra-Red LEDs. Includes 3 axis brackets and 60ft of mini shielded RG-59 cable.
- **1 PAN TILT CAMERA:** 1/3" Sony Exview HAD CCD-II Color Image Sensor, 650 TVL resolution, Full 360° horizontal rotation and a 90° tilt, Programmable Cruise Patterns, weatherproof with 65ft. Night vision. Includes 100 Ft. All-in-one Video, Power, and Data Cable and wall and ceiling bracket.

What's in the Box:

- (1) 8 Channel H.264 Network DVR (QT5680-1)
- (1) Pre-installed 1 Terabyte Hard Drive
- (7) Bullet 650 TVL Hi-Resolution cameras with 3-axis brackets (QD6504B)
- (1) Pan Tilt Camera with ceiling/wall mount (QD6505P)
- (7) Mini RG-59 60ft cables for bullet cameras
- (1) 100 Ft. All-in-one Video, Power, and Data Cable for Pan Tilt Camera
- (2) Power Supply and 4-Way Power Splitters for Bullet Cameras
- (1) Power Supply for Pan Tilt Camera
- (1) DVR power supply 12v/2a
- (1) Remote control
- (1) USB mouse
- (1) Ethernet Cable
- (1) BNC to RCA Adapter
- (1) 4ft. HDMI Cable
- (1) Product Manual on CD
