

Lesina Wall Mount / Chimney

ARIETTA

With Lesina, a gently tapered stainless steel canopy that measures only 5" high, conveys understated elegance. Available in 30" or 36" widths. High-tech LCD controls, manage multiple functions, including halogen lighting, 3 speed blower, automatically turns on under high heat and even has a sensor that tells you when to clean your dishwasher-safe anodized aluminum mesh filters. Lesina features a telescopic chimney for up to 8' ceilings and also has an available extension for taller kitchens. Designed for standard ducted installation, Lesina can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.
