Butterfly Shower Door with Double Bi-Fold Doors

Butterfly Folding Mechanism

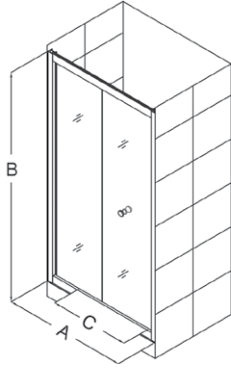

Butterfly Shower Door Top View

The [Butterfly Shower Door or Enclosure](#) saves space without compromising great style. The frameless glass design achieves a custom look at an incredible value. The smart bi-fold action allows the panels to slide and fold, creating an ample walk-in opening and maximizing space. Wall profiles provide a flexible installation with adjustability for width and out-of-plumb walls. Give your bathroom renovation a modern touch with the Butterfly.

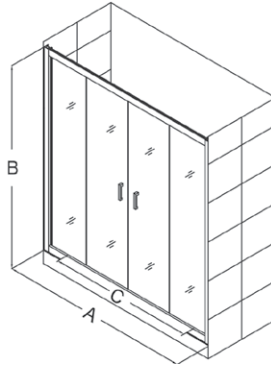

Butterfly is also available as a [tub door](#).

Features:

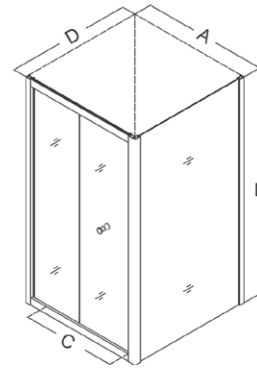

- Space-saving bi-fold design
- 1/4" (6mm) tempered clear glass
- Chrome hardware finish
- Anodized aluminum wall profiles and guide rails
- 3/4" out-of-plumb adjustment on each side
- Optional SlimLine™ shower base and backwalls available
