

# Duet

The **Duet Shower Door** combines high quality materials with a sleek frameless design for an amazing value. The bypass shower door panels slide effortlessly on perfectly engineered guide rails, so you can enter the shower space from either side. Give your bathroom renovation the perfect finishing touch with the elegant yet practical Duet Shower Door.

Duet is also available as a **tub door**.

### Features:

- Sliding bypass shower door
- 5/16" (8mm) thick tempered clear glass
- Chrome or brushed nickel hardware finish
- Two convenient towel bars
- Anodized aluminum wall profiles and guide rails
- Width may be trimmed up to 4"
- 1/2" out-of-plumb adjustment on each side
- Optional SlimLine™ shower base and backwalls available
