ARCHITECTURAL PHOTOS YOLO Colorhouse Inside

Ceiling Cove: **CLAY .01**

Ceiling Rectangle: **CLAY .03**

Trim: **LEAF .02**

DESIGN TIP: Accentuate coved ceilings and add more color and drama to a room by painting two harmonizing colors.

ARCHITECTURAL PHOTOS YOLO Colorhouse Inside

Walls: **GRAIN .05**

Ceiling: **AIR .04**

Trim: **STONE .03**

DESIGN TIP: Create a glowing environment by painting the ceiling in a lighter, similar tone. By painting the ceiling AIR .04, which looks and feels like GRAIN .05, it is reflecting a golden glow on the ceiling.

ARCHITECTURAL PHOTOS YOLO Colorhouse Inside

Walls: **LEAF .02, CLAY .06**

Trim: **AIR .01**

DESIGN TIP: Use light, muted colors in transition areas such as stairways and hallways so one moves through these areas easily and is stopped by more intentional color in rooms beyond.

ARCHITECTURAL PHOTOS YOLO Colorhouse Inside

Walls: **WATER .06, CLAY .02**

Ceiling: **STONE .01, GRAIN .04**

Trim: **AIR .01**

DESIGN TIP: Use complimentary colors side by side to delineate spaces and create colorful interests between rooms.

ARCHITECTURAL PHOTOS YOLO Colorhouse Inside

Walls: **CLAY .04, LEAF .05**

DESIGN TIP: Use warm colors from the CLAY family to draw people into the social gathering spaces in your home. Use greens from the LEAF family in entries to put those who enter immediately at ease.

ARCHITECTURAL PHOTOS YOLO Colorhouse Inside

Walls: **LEAF .03**

DESIGN TIP: Use this silvery-green in bedrooms for a tranquil and relaxing feeling. WATER .02 has the same effect in bedrooms for a bluer option.

Main Walls: **LEAF .05**

Accent Walls: **CLAY .04**

DESIGN TIP: This popular Indian restaurant in Portland, Oregon used LEAF .05 to create a sophisticated, comfortable atmosphere with spicy, warm accents from the CLAY family.
