

ANNUALS FOR SHADE

Impatiens in a rainbow of colors brighten the dappled shade under trees and in woodland gardens.

Plant List

a. Polka Dot Plant (*Hypoestes Phyllostachya*)

b. Impatiens (*Impatiens Walleriana*)

Before Installing Your New Garden

Will this plan work in your area? You can increase or reduce the footprint by adding or eliminating plants in the garden.

Ensure the plants and plan will grow and thrive in your USDA zone and sunlight.

Add garden soil for best results.
