

# One simple stop, one total resource.

With Pro Direct, The Home Depot® Pro Customers have an appliance program designed for their needs. One stop at The Home Depot Pro Desk is all it takes to get started.

# Modern & Convenient

**Adora**<sup>™</sup>  
series

Adora series by GE®, offered exclusively by The Home Depot® uncovers the true potential of your kitchen with an assortment of appliances perfectly suited for your lifestyle. Discover how easy it can be to rejuvenate your home and add a little extra zest to your kitchen.

# Versatile & Durable

**HOTPOINT**

Hotpoint® combines easy-to-use features with practical designs to complement any kitchen. You'll find a full line of appliances created to meet the needs of everyday life at extraordinary prices.

# Program Highlights

- Appliance brand selection—Adora series by GE®, GE®, Hotpoint® and Americana™.
- FREE on-site delivery—you don't have to pick up the appliances at the store, reducing the risk of damage in handling. Small shipments and bulk deliveries are available.
- Appliances delivered in 3 to 5 days or scheduled for future delivery for added convenience.

# Classic & Dependable

GE® appliances provide up-to-date technology and exceptional quality to simplify the way you live. With a timeless style and pristine appearance, this family of appliances will fit any kitchen décor, and coming from one of the most trusted names in America, you know that this entire selection of appliances is as advanced as it is reliable.

# Simple & Affordable

A practical appliance line designed to add value to any kitchen. Americana™ appliances are available in black and white finishes and offer years of quality dependable service.

# Built-in Appliances

GE® built-in products are changing the way modern families cook, providing more convenience, performance and features in each appliance. GE offers built-in products designed for today's lifestyles.

# Clothes Care

As lifestyles change, the focus on clothes care continues to evolve. Laundry rooms are no longer relegated to the basement and are now found near the family rooms and kitchens. GE offers a broad line up of washers and dryers with features important to today's consumers, such as appearance, performance, savings and dependability.
