How to Use the Idea Book
& installation specifics
to help you tackle
any project

How To?

Use this Design Guide in conjunction with other product samples to coordinate your living space's overall design.

Cabinet Style

Design Guide

Countertop Samples

Live samples

Use the key below to see how information is displayed throughout the Design Guide.

1 Product Description is broken down into four parts –

- 1. Product Part Number
- 2. Product Description
- 3. How many pieces of product per linear foot on an 18" high wall space

2 Grout Color shown here. If more than one grout color is used the location will be shown in parentheses. CBP stands for Custom Building Products brand grout.

3 Size of board.
