PLANK

Revolutionary GripStrip™, secures planks to each other... not to your sub-floor!

U.S. PATENT NO: 7,155,871

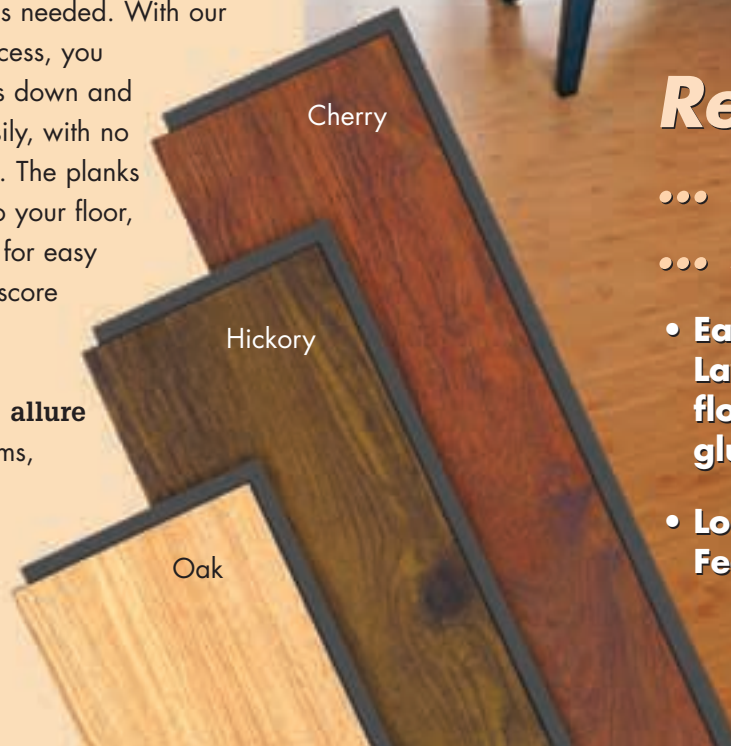

allure trafficMASTER

You've never seen resilient flooring that looked as good and was as easy to install as Trafficmaster **allure**. Now you can transform any room in your home in a snap. Wake up to your old tired vinyl or ceramic and you can be walking on a beautiful new hardwood or stone look floor before the end of the day.

Lay **allure** directly on top of your old flooring. No surface preparation is needed. With our patented *GripStrip™* process, you just lay the **allure** planks down and secure them together easily, with no messy adhesive required. The planks stick to each other, not to your floor, and they were designed for easy handling. To cut, simply score and snap.

Durable and waterproof, **allure** can be used in most rooms, including bathrooms and basements.
