

## Find the Generac Generator That's Right for Your Needs

### Generac Guardian Series Propane/Natural Gas Automatic Standby Generators - Residential

<b>KEY SERIES FEATURES:</b> <ul style="list-style-type: none"> <li>True Power™ technology</li> <li>Generac OHVI® engines</li> <li>Continuous fuel -- runs on natural gas or LP</li> <li>17-20 kW models offer exclusive Quiet-Test™ self-test feature</li> <li>UL Listed for safety &amp; certified power ratings</li> </ul>	Rated Power				CARB
	Model #	(Watts)	Enclosure Type	Automatic Transfer Switch	Compliant
	5870	8,000	Steel	100 Amp NEMA 1 10 circuit load center	Yes
	5871	10,000	Steel	100 Amp NEMA 1 12 circuit load center	Yes
	6051	10,000	Steel	200 Amp Nexus Smart Switch NEMA 3R, service rated	Yes
	5782	14,000	Steel	100 Amp NEMA 1 14 circuit load center	Yes
	6052	14,000	Steel	200 Amp Nexus Smart Switch NEMA 3R, service rated	Yes
	5873	17,000	Steel	100 Amp NEMA 1 16 circuit load center	Yes
	6053	17,000	Aluminum	200 Amp Nexus Smart Switch NEMA 3R, service rated	Yes
5875	20,000	Aluminum	200 Amp Nexus Smart Switch NEMA 3R, service rated	Yes	

### Generac Guardian Series Propane/Natural Gas Automatic Standby Generators - Larger Residential/Commercial

<b>KEY SERIES FEATURES:</b> <ul style="list-style-type: none"> <li>Continuous fuel - runs on natural gas or LP</li> <li>Powerful, automotive style engines</li> <li>Exclusive Quiet Test &amp; trade self-test feature</li> <li>Clean, consistent power for sensitive electronics</li> <li>UL Listed for safety &amp; certified power ratings</li> </ul>	Rated Power				SCAQMD
	Model #	(Watts)	Enclosure Type	Automatic Transfer Switch	Model
	QT02516ANSX	25,000	Steel	Not included	Yes
	QT03016ANSX	30,000	Steel	Not included	Yes
	QT04524ANSX	45,000	Steel	Not included	No
QT042524ANSC	45,000	Steel	Not included	Yes	

### Generac Quiet Source Series Propane/Natural Gas Automatic Standby Generators

<b>KEY SERIES FEATURES:</b> <ul style="list-style-type: none"> <li>Continuous fuel - runs on natural gas or LP</li> <li>Quiet operation units with automotive style engines that operate at lower speeds</li> <li>Aluminum, all-weather enclosures for extra corrosion protection</li> <li>Exclusive Quiet-Test™ self-test feature</li> <li>Clean, consistent power for sensitive electronics</li> <li>UL Listed for safety &amp; certified power ratings</li> </ul>	Rated Power				SCAQMD
	Model #	(Watts)	Enclosure Type	Transfer Switch	Model
	QT02224ANAX	22,000	Aluminum	Not included	Yes
	QT02724ANAX	27,000	Aluminum	Not included	Yes
	QT03624ANAX	36,000	Aluminum	Not included	No
QT04854ANAX	48,000	Aluminum	Not included	No
