

PAIN'T A FAMILY OF PUMPKINS THIS HALLOWEEN

Give Your Halloween Pumpkins a Personality with Spray Paint

No need to carve your pumpkins this Halloween. Spray on a coat of paint and decorate to give each pumpkin a different look!

ITEMS

- Pumpkins
- Metallic spray paint
- Gloss spray paint
- Silk leaves
- Faux flowers and acorns
- Jingle bells
- Foam daubers
- Glue dots
- Enamel markers
- Gloves
- Drop cloth

Step 1: Clean your pumpkins thoroughly with water and dry thoroughly.

Step 2: Over a drop cloth, spray paint each pumpkin with a different color, following the instructions on the can.

Step 3: Let spray paint dry for at least 1 hour.

Step 4: Using enamel markers and foam daubers, create a face on each pumpkin.

Step 5: Using glue dots, adhere the silk leaves, faux flowers and acorns and jingle bells.

As shown: Stops Rust Gloss Protective Enamel in White and Textured Metallic in Galaxy, Painter's Touch 2X Ultra Cover in Real Orange and Grape, and Universal Gloss Green Citrus
