Name of Product: “Classic Brands” 10-inch “Cool Gel Memory Foam” mattresses manufactured in Spain between January 2021 and August 2022, and sold from March 2021 through October 2022. “Cool Gel Memory Foam” is printed on the side of the mattress.

Hazard: The mattresses pose a fire hazard and fail to meet the mandatory federal flammability standard for mattresses.

CPSC urges consumers to stop using these mattresses and dispose of these products immediately in accordance with municipal or state recycling programs (information can be searched via <https://search.earth911.com/>). To explore recycling options for consumers located in California, Connecticut, Rhode Island, or Oregon, visit <https://mattressrecyclingcouncil.org/> for more information.
