Name of Product: Hodedah 4-Drawer Chest

Hazard: The recalled chest is unstable if it is not anchored to the wall, posing tip-over and entrapment hazards that may result in death or serious injuries to children. The chests do not comply with the performance requirements of the U.S. voluntary industry standard (ASTM 2057-19).

Remedy: Refund, Repair.

Consumers should immediately stop using any recalled chest that is not properly anchored to the wall and place it in an area that children cannot access. Hodedah will provide free anti-tip anchoring kits or packaging and pre-paid shipping labels so that consumers can remove the chest's drawer slides and return them to the firm for a full refund and discard the rest of the dresser.

Consumer Contact: Hodedah toll-free at 855-463-3324, email Recalls@Hodedah.com or online at www.hodedah.com.
