

SAFETY RECALL

EGO Power+ Model HT2410 Cordless Brushless Hedge Trimmers

Hazard: The rear trigger switch can fail to rebound after being pressed, which can cause the unit to activate unexpectedly, posing a laceration hazard.

Product Description: The recall, in cooperation with the U.S. Consumer Product Safety Commission, involves EGO Power+ HT2410 Battery Operated Brushless Hedge Trimmers that were manufactured prior to March 30, 2019 and sold by Chervon from September 2017 through March 2020. The model number HT2410 and manufacturing date code are displayed on the side of the product housing. Only units with date codes from September 2017 through March 2019 are included in the recall.

Remedy: Consumers should immediately stop using the recalled hedge trimmers and contact Chervon for a free repair of the rear trigger switch by an authorized dealer.
