**Name of Product:** Cuisinart Compact 450W 16 fl. oz. Metallic Gray Juicer with Recipe Book and Cleaning Brush

**Hazard:** The nut holding the blender blade assembly can loosen and detach from the base when in use, posing a laceration hazard if a consumer comes in contact with a loose blade.

**Remedy:** Free Replacement Blade Assembly.

Consumers should immediately stop using the recalled blender part of the compact blender and juice extractor combos and contact Conair for a free replacement blade assembly. Consumers will receive instructions on how to install the replacement blade assembly after discarding the existing blade assembly, and after verifying disposal of the existing blade assembly. No tools are needed, and the new assembly can be inserted into the unit in the identical manner that the original assembly was in accordance with the operating instructions that the consumer received when the product was purchased. The juice extractor is unaffected and may continue to be used.

**Consumer Contact:** Cuisinart toll-free at 877-339-2534 from 7 a.m. to 11 p.m. ET Monday through Friday, email at [customerservice@cuisinart.com](mailto:customerservice@cuisinart.com), online at [www.cuisinart.com/recall/CBJ-450](http://www.cuisinart.com/recall/CBJ-450) or at [www.Cuisinart.com](http://www.Cuisinart.com) and click on Safety Recalls at bottom of page for more information.
