Side-by-Side

Top Freezer

Name of Product: Frigidaire and Electrolux Side-by-Side, Top Freezer and Multi-door refrigerators

Hazard: The ice level detector arm in the ice maker can break into pieces and fall into the ice bucket, posing a choking hazard.

Remedy: Consumers should immediately stop using the recalled Frigidaire and Electrolux refrigerator ice makers, empty the ice bucket and contact Electrolux to schedule a technician to replace the ice maker with one that has a polypropylene ice level detector, free of charge.

Consumer Contact: Online at www.icemakerrecall.com or at www.electrolux.com or www.frigidaire.com and click on "Recalls" at the bottom of the page for more information.
