**Name of Product:** Certain Generac Portable Generators

**Hazard:** An unlocked handle can pinch a consumer's fingers against the generator frame when the generator is moved, posing finger amputation and crushing hazards.

**Remedy:** Consumers should immediately stop using the recalled portable generators, unless the locking pin has been inserted to secure the handle in place before and after moving the generator and contact Generac for a free repair kit.

**Consumer Contact:** Generac customer service at 844-242-3493, Mon. through Fri. 8 a.m. to 5 p.m. CT, or online at [www.generac.com/handleguard](http://www.generac.com/handleguard) or [www.generac.com](http://www.generac.com) and click on Important Safety Information for more information.
