

Recall Information

Luxor Workspaces A/V Carts

Recall Date: April 13, 2023

Name of Product: Luxor A/V Carts

Hazard: The recalled audiovisual (A/V) carts can become unstable when loaded with heavy objects, such as cathode-ray tube televisions (CRT TVs). When loaded with heavy objects such as CRT TVs, the recalled A/V carts pose a tip-over hazard to children, which can result in serious injury or death.

Remedy: Repair.

Consumers should stop using the recalled carts immediately and contact Luxor for a free repair. Luxor will provide metal ballast kits, which should be installed by the consumer to the lower shelf of the cart to add stability and weight. New warning labels cautioning consumers to place no more than 25 lbs. on each shelf will also be provided. Consumers should attach these warning labels on each shelf.

Consumer Contact: Luxor Workspaces at 800-323-4656 from 8:30 a.m. to 4:45 p.m. CT Monday through Friday, by email at recall@luxorworkspaces.com, or online at www.luxorworkspaces.com/recall or www.luxorworkspaces.com and click on “IMPORTANT RECALL INFORMATION” at the top of the page for more information.
