

Hodedah Recalls HI4DR 4-Drawer Chest Due to Tip-Over and Entrapment Hazards

Remedy May Be Delayed Due to COVID-19 Restrictions; Keep Product Away from Children

Date: May 13, 2020

CPSC tested the Hodedah HI4DR dresser and found that it is unstable and can tip over if not anchored to the wall, posing serious tip-over and entrapment hazards that can result in injuries to children or even death. The dresser that CPSC tested weighed about 84 pounds without any clothing in the drawers.

Recall Date: May 13, 2020

Recall Number: 04212020-BH

Recall Summary

Name of the product: HI4DR 4-Drawer Chest

Hazard: The recalled chest is unstable if it is not anchored to the wall, posing tip-over and entrapment hazards that may result in death or serious injuries to children. The chests do not comply with the performance requirements of the U.S. voluntary industry standard (ASTM 2057-19).

Remedy: Repair or Refund

Consumers should immediately stop using any recalled chest that is not properly anchored to the wall and place it in an area that children cannot access. Hodedah will provide free anti-tip anchoring kit or a pre-paid shipping label and packaging so that consumers can remove the chest's drawer slides and return them to the firm for a full refund.

Consumer Contact: Call Hodedah's toll-free recall hotline at 855-463-3324 from 10 a.m. to 5 p.m. ET or go online to www.hodedah.com for more information on how to receive a refund or a free wall-anchoring repair kit. Customers may also email their inquiry to Recalls@Hodedah.com.

Units: About 25,000

Recalled 4-Drawer Chest: The dressers measure about 40.24 inches tall, 27.5 inches wide, and 15.5 inches deep weighing about 84 lbs. These dressers were sold online at Wayfair.com, Amazon.com, Walmart.com, Homedepot.com, Homesquare.com and Unbeatable.com for about \$90. They were sold in beech, mahogany, chocolate, cherry, white, and black colors.
