Name of Product: American Angler Electric Fillet Knives

Hazard: The trigger mechanism on the Electric Fillet Knife (“EFK”) units can become stuck in the “on” position, posing a laceration hazard. This recall only involves EFK units sold between January 2019 – October 2021.

Remedy: Free Replacement.

Consumers should immediately stop using the recalled EFK, unplug the unit, and cut the power cord. Consumers should then contact Scott Fetzer Consumer Brands to receive a free replacement EFK by mail. Consumers will need to provide their mailing address and proof of destruction by sending a photo of the recalled product and cut cord to the firm. The consumer should then throw away the unit in their trash.

Consumer Contact: Scott Fetzer Consumer Brands toll-free at 833-656-1147 from 8 a.m. to p.m. ET Monday through Friday, email at efkrecall@sfconsumerbrands.com or online at www.americananglerusa.com/efkrecall or www.americananglerusa.com and click on “Recall Information” under “Relevant Links” for more information.
