Name of Product: This recall involves all Frigidaire Gas Laundry Centers with model numbers FFLG4033QW and FFLG4033QT. The Laundry Centers were sold in white and titanium colors and have “FRIGIDAIRE” written below the dryer door. The serial number is located on a white sticker inside the dryer door, and the above serial numbers are included in this recall.

Hazard: The felt seal on the dryer drum can be folded inward which can lead to lint accumulation, creating a fire hazard.

Remedy: Consumers should immediately stop using the dryer of the recalled Laundry Centers and contact Electrolux Group for a free inspection, repair and lint removal service. Electrolux Group and Home Depot is contacting known purchasers directly. Consumers can continue to use the washer which is unaffected by the issue.
