

Recall Information

ZLINE 48-inch RG Gas Ranges

Expansion of 12/29/2022 Recall on 30-inch and 36-inch ZLINE RG Gas Ranges

Recall Date: January 26, 2023

Name of Product: ZLINE 48-inch RG Gas Ranges (see page 2 for all product identifiers)

(ZLINE 30-inch and 36-inch RG Gas Ranges from 12/29/2022 Recall - see pages 3-5 for all product identifiers)

Hazard: The oven of the gas ranges can emit dangerous levels of carbon monoxide (CO) while in use, posing a serious risk of injury or death from carbon monoxide poisoning.

Remedy: These ranges were recalled in January 2023, and consumers were offered a repair. ZLINE is expanding the remedies available to consumers to also include a replacement range or a refund. All consumers who have an affected range should immediately stop using the oven compartment, even if they have already had their range repaired as part of the prior recall. Consumers who have received a repair are being contacted directly by ZLINE with additional information and about the offer of an inspection, a replacement range or a refund. Consumers who have not yet scheduled a repair as part of the recall should contact ZLINE for information regarding available remedies. Consumers may continue to use the range tops which are unaffected by the issue. Consumers should review Protect Your Family from Carbon Monoxide Poisoning | CPSC.gov for more information about preventing carbon monoxide poisoning.

Consumer Contact: ZLINE toll-free at 833-226-1400 from 9 a.m. to 8:30 p.m. ET Monday through Friday, email at rgrecall@zlinekitchen.com or online at www.zlinekitchen.com/recalls or www.zlinekitchen.com and click on the banner at the top of the page for more information.
